RATCHET UTILITY STRAPS

- Ideal tie-down straps to use for light-duty jobs
- Ideal for securing loads such as boxes, bicycles, toolboxes, or anything that you don't want moving and rolling around in the back of your truck or trailer
- Corrosion resistant, heat-treated carbon steel ratchet is designed to help achieve maximum tensioning for maximum control
- Heat-treated carbon steel S-hooks that have been manufactured with versatility and strength
- S-hooks are very simple to use and will slip into nearly any type of anchor point
- Hooks are vinyl coated in order to protect the hooks, the cargo, and the vehicle from damage
- Overall Breaking Strength: 1500 lbs. (680 kg)
- Standard(s) Met: WSTDA (Web Sling Tie Down Association)
